

WHY CHOOSE BTES TV+

BENEFITS

TVs, PHONES, TABLETS, & MORE

In addition to watching BTES TV+ on a compatible television, you can also watch BTES TV+ on your compatible smartphone, tablet, or other smart device.

MORE HD CHANNELS

Many more channels are available in high definition – and without the need for a set top box!

DVR INCLUDED

BTES TV+ includes 100 hours of cloud DVR automatically and without the need for a DVR set top box! With DVR, you can record content on several channels at the same time while still watching BTES TV+ on all of your subscribed to number of streams.

REPLAY

The replay feature allows you to watch programs that aired within the previous 24 hours.

CONTENT ON THE GO

While all content is available while you are connected to your BTES Internet service, some content and DVR recordings are available even outside of your home while you are on the go.

NO SET-TOP BOXES REQUIRED

Bulky set-top boxes are not required for BTES TV+. Just download the app on your smart device and enjoy!

EASILY ADD STREAMS AND DVR HOURS

BTES TV+ comes with 3 streams and 100 DVR hours and adding more is easy! Just give us a call at 423-968-1526.
